

Bugia,
Design by Andrea Tosetto

Model Bugia Double

Round, compact forms featuring elegant finishes with a centre that shines like a precious stone. Once lit up, Bugia amazes with the unexpected effect of its light. A surprising and harmonious balance between direct and indirect light, diffused both downward and up toward the ceiling. A rich family of ceiling lights, in *Single*, *Double*, *Triple* and now also *Mega* versions.

Bugia Double

Light source

AC LED
2700 K
2 x 15 W
2640 lm
