

Puzzle Mega, Design by Studio Italia Design

Model Puzzle Mega round large

Large geometric figures characterised by essential forms, which almost merge with the interior architecture when off, only to be surprisingly revealed as harmonies of light and shadow when lit. New matte finishes warm up the geometric panels of *Puzzle Mega*, liquid red, white, taupe and black paints that open new decorative possibilities, playing with harmonies and contrasts of colours and shapes. With *Puzzle Mega*, light gracefully decorates walls and ceilings.
